

About Us

Neta Transportation was established in 1998 and have since grown into one of the leading forwarders in Turkey. We have invested in a strong network of agents, all committed to the efficient handling of air and sea freight shipments.

Neta Transportation, with it's comprehensive range of services, provides an integral link in the supply chain management between concerned parties. Neta Transportation possesses an impressive range of consolidation and distribution services, allied to a strong sense of commitment and vision. Our Head Office is situated in Istanbul and we have representation in all major cities throughout the world. All queries are directed through the Istanbul head office, thus allowing management to keep a "hands on" policy, thereby ensuring the smooth movement of cargo that is expected by suppliers and consignees alike.

We are a forward thinking logistics provider - always seeking to provide a better service for our customers.

Our aim is to be a major player in the freight logistics industry by creating and maintaining a reputation as the market leader in customer service continually seeking new and attractive value propositions for our clients through a world-class business management expertise in our operations.

We are Members of Chamber of Shipping in Turkey REG. ID 398318/345900 UTIKAD (Freight Forwarders Association - TURKEY) FIATA (Fédération Internationale des Associations de Transitaires et Assimilés) ITO (Istanbul Chamber of Commerce)
